**DRUG SCREENING THROUGH URINALYSIS  
APPLICANT NOTICE AND ACKNOWLEDGEMENT**

I, , understand that as part of the pre-employment process for the position of County Investigator, the Burlington County Prosecutor's Office will conduct a comprehensive background investigation to determine my suitability for the position for which I have applied.

I understand that as part of this process, I will undergo certain medical and physical examinations, which will include drug screening through urinalysis.

I understand that a negative result on the drug screening is a condition of employment.

I understand that I can refuse to undergo the testing. If I refuse, I understand that I will be rejected for employment.

I understand that if I produce a positive test result for illegal drug use, that information will be forwarded to a central registry maintained by the Division of State Police. Information from that registry will be made available by court order or as part of a confidential investigation relating to law enforcement.

I understand that if I produce a positive test result for illegal drug use and am not currently employed as a sworn law enforcement officer, I will be barred from future law enforcement employment in New Jersey for two years. After this two year period, the positive test results may be considered in evaluating my fitness for future law enforcement employment.

I understand that if I am currently employed as a sworn law enforcement officer and I produce a positive test result for illegal drug use, my current law enforcement employer will be notified of the positive test result and in accordance with the Attorney General's Guidelines, I shall be dismissed from my law enforcement position and I shall be permanently barred from law enforcement employment.

I further understand that I will undergo unannounced drug screening by urinalysis during my attendance at academy training.

I acknowledge receipt of a copy of the methods and procedures for drug screening applicants for sworn law enforcement positions.

I have read and understand the information contained on this "Applicant Notice and Acknowledgement" Form. I agree to undergo drug screening through urinalysis as part of the pre-employment process.
